Details

IRUG filename: IWX00003	Data type: Infrared	IRUG material class: Waxes (WX)
Sample type: Reference material	Common name(s): Paraffin wax	CAS name: Paraffin waxes
Sample source 1: A.F. Suter & Co., Ltd.	Source location 1: London, UK	Sample source 2: Getty Conservation Institute
Source location 2: The Getty Center, 1200 Getty Center Drive, Los Angeles, CA, 90049-1679, US	Color: Beige, light, opaque	Age: Dec. 1983, acquired, 8 yrs, at least, naturally aged
Application: Transmission FTIR spectroscopy	Mode: Tran	Originating institution name: Getty Conservation Institute
Originating institution acronym: GCI	CAS registry no: 308069-08-1
